

STYLE DANCE AND FREE DANCE COMPETITION

11th March 2025

Dear Head Coaches,

We are arranging official practice of 15-mins for the Style Dance and Free Dance competitions.

Please can coaches add their skaters to the database event (*2025 GBSA - April Style / Free Dance Event Training*) by **Sunday 16th of March** to confirm practice attendance. We would like to organise practice groups accordingly to numbers attending.

Please be aware during the event weekend skaters will only receive official warm-up time before skating their event.

Training Times

Friday 25th starting at 18:00 - Tots, Mini, Espoir and Cadet, solo and couples practice.

Saturday 26th starting at approx. 19:00 (after presentations) - Youth, Junior and Senior solo and couples practice.

Depending on how many wishes to participate in the official practice will determine if training time can be increased.

(We cannot say at this time exactly when your group will be skating during the evening but will start with the youngest through to the eldest).

Kind Regards

Nick Loader

Director of Dance
