

## Seeding 2025 Events – Championships and Roller Cup Final

*November 2024*

Dear Head Coaches,

Seeding will be introduced to the 2025 Championships and Roller Cup Final.

### **Championships**

The groups will be drawn based on the 2024 results for each category, example the top 6 skaters in the Senior Ladies from 2024 will be drawn in the last group.

For skaters moving up from a previous category or those skaters new to the category will be drawn in the first group, if there are more than 6 skaters moving up from a previous category the top 6 would be seeded higher.

### **Roller Cup Final**

The skating order will be based on the reverse total Rollart scores of those who qualify for the final.

Kind Regards

Nick Loader
