

Style Dance Verification 2025

17th October 2024

Dear Club Admins and Head Coaches,

Style Dance verification is now open for 2025, GBSA will verify the below:

- BPM for the pattern sequence
- Confirm the theme and style of music is correct for the category

Please note for the theme and style verification will be the opinion of the Dance team members with the information on rules we have from WorldSkate, the referee at each event nationally or internationally will still make the final decision.

The process for 2025 will change from previous years, each club will have a Style Dance folder in their clubs Dropbox folder, within here will be a master excel document and a music folder. The club should complete all applicable fields in the excel document for each submission and place the music in the music folder. Once your club submission is complete, please email styledance@gbskateartistic.co.uk to advise the submissions process is complete.

This will allow clubs to track the submission progress as well as cut down on email traffic.

The style dance administrator (Sasha Baker) will only contact you if there is an issue with the submission or verification.

If a resubmission is needed, we will ask you to complete another entry for the skater.

The cost for verification or re-verification for 2025 is £15.

Due to some very late verification requests in 2024, all submissions must be complete by the **1st of March 2025**, any submissions after this date will be **£50**.
